Description
Outside the village of Amargeti in the Paphos district, this agricultural field covers 20,736 m² of sloping ground with an irregular shape. It has a long frontage on a road, which gives it direct road access. The field lies beyond the village's residential area, a short drive from the village centre.

The land is zoned for agriculture and suits farming or planting. Nea Pentalia and Eledio are a short drive away, and the Limassol–Paphos Motorway can be reached by car. This is a sizeable, sloping field with its own road frontage in Amargeti.
