Description
Among village homes in Marathounta, this field for sale offers 1673 m² of residential land in a setting with a strong local identity, only a short drive from the services of Paphos. Its residential zoning makes it easy to picture a family home here, with authentic Cypriot village life all around.

The land is sloping and irregular in shape, and it has direct road access. It also has good links to the village centre and the neighbouring communities, including Armou. Houses and open parcels make up the surrounding area, giving it a settled residential feel.

Everyday needs are well covered. Supermarkets, cafés, restaurants, parks and a medical centre are all a short drive away, as are the International School of Paphos and Paphos General Hospital. The Limassol–Paphos motorway is close at hand for easy journeys across the district, and Karavella Station is a drive away.

A residential field in Marathounta that pairs traditional village charm with easy reach of town, offering a setting where a home could truly take root.
