Description
This sizeable agricultural field in Agios Mamas sits in an open countryside setting, a short drive from the village centre. At 17,392 m², it offers a generous area of farmland for planting and cultivation.

The field is irregular in shape, and its ground is uneven. Access is by a dirt track. The neighbouring villages of Kapileio and Trimiklini are a short drive away, as are petrol stations, and the Limassol – Paphos Motorway lies in the wider region.

This is a versatile piece of agricultural land, set well away from dense urban development.
