For Sale : **€ 40,000**

Description
Village life in Prastio Avdimou moves at its own unhurried pace, and this generous residential field sits right in the middle of it, in a quiet area within easy walking distance of the community centre. For anyone searching for buildable land in Prastio Avdimou, it offers a calm, rooted setting with a strong local identity and room to picture a home of your own.

The land is enclosed, with an even surface and an irregular outline, covering 11706 m² in total. Its residential zoning points naturally towards a family home, surrounded by the authentic side of Cyprus rather than dense resort development.

Everyday needs are a short drive away, with schools, cafés, restaurants, parks and a medical centre nearby, along with the neighbouring villages of Anogyra and Avdimou. The Limassol to Paphos motorway is also close, putting both towns within comfortable reach, while the coastline around Petra tou Romiou lies in the wider region.

This sale is for a one-quarter share of the land.

A peaceful village setting, a level, enclosed plot and the easy rhythm of country life make this a place worth imagining your future in.
