For Sale : **€ 40,000**

Description
Authentic Cypriot village life sets the tone for this residential field in Agios Amvrosios, in the Limassol countryside. Zoned for residential use, it offers a generous, regular-shaped plot with uneven ground and room to imagine a home rooted in a setting with a strong local identity.

Daily life is uncomplicated here. The village centre, schools, restaurants and cafés, a petrol station and green spaces are all a short drive away, as are the neighbouring villages of Pachna and Pano Kivides. Main roads and the Limassol - Paphos Motorway are a drive away, linking you to the coast and the wider district. Weekends can bring visits to the Castle of Kolossi and other heritage sites nearby.

Away from dense urban development, this is a landscape-led corner of Cyprus where a slower pace and a close-knit community still shape the days. This sale is for a half share of the field.

A generous piece of residential land in the hills, with the authentic side of Cyprus all around it.
