For Sale : **€ 20,000**

Description
A field of 9031 m² of agricultural land in the countryside of Lythrodontas, in the Nicosia district. The ground slopes and the field has an irregular shape. It has direct road access, and its agricultural zoning suits farming or planting. The village centre and petrol stations are a short drive away, as is neighbouring Mathiatis. The Nicosia–Limassol motorway and its junctions can also be reached by car. This is a generous, versatile piece of farmland in an open countryside setting.
