For Sale : **€ 39,000**

Description
Surrounded by a beautiful natural environment, this residential field in Agios Amvrosios brings the Limassol countryside and village life together. The land has a gently sloping surface, the kind of ground that lets you picture a home shaped around the landscape rather than squeezed into it.

Its residential zoning points to a family home in a setting with a strong local identity, and the field enjoys direct road access. The village centre, schools, a petrol station, restaurants and cafés are all a short drive away, as are the neighbouring villages of Agios Therapon and Pano Kivides, so everyday needs stay within easy reach.

When town calls, the Limassol to Paphos motorway is a drive away. The Arkolia nature spot is also a drive away for a day outdoors, and the medieval Castle of Kolossi lies in the wider region for weekend outings.

This sale is for a one-quarter share of the field. What it offers is a foothold in authentic Cypriot village life, set within the natural beauty that defines this corner of Limassol.
