Description
Set in the farmland of Asgata, in the Limassol district, this agricultural field covers 18,730 m² of sloping ground with an irregular shape. A stream runs through it, dividing the land into two parts, and it borders government land. Monagroulli and Pentakomo are among the neighbouring villages.

Most of the land is zoned for agricultural use and suits farming or planting, while a small part lies within a protection zone. The land has no direct road access. It offers a sizeable area of agricultural ground in the Asgata countryside.
