Description
Set in open countryside within the Lythrodontas community, this field of 16,389 m² is a piece of the Cypriot countryside in a landscape-led setting, well away from dense urban development. The land has an irregular shape and sloping ground, and it is accessible. Vavatsinia is a short drive away, and Kapedes, a petrol station and the Nicosia–Limassol motorway are all within a drive. This sale is for a half share of the field. It is an open, sloping stretch of land in the rural surroundings of Lythrodontas.
