Description
A field in Vasa Kellakiou, made up of two adjoining plots offered together as a single holding of 8,864 m². The land sits in an open countryside setting, a short drive from the village centre, with the neighbouring villages of Asgata and Parsata also close by.

The ground slopes and is irregular in shape. A local road gives access to the land and runs through it, dividing it into two parts. Main roads, a petrol station and the Limassol–Nicosia motorway are a drive away. Together, the two fields form a sizeable piece of the Cypriot countryside in one holding.
