For Sale : **€ 55,000**

Description
Agricultural field for sale in Stroumpi: two adjoining parcels offered together as a single holding of 13,044 m². The ground slopes and the outline is irregular, set in open countryside on land zoned for farming.

The land is reached by an access road. The Stroumpi village centre and petrol stations are a short drive away, and neighbouring Theletra is close by. Main roads and the Limassol – Paphos Motorway are within a drive, so the land is straightforward to reach for regular work on the ground. Together, the two parcels make a generous, versatile piece of agricultural land with room to plant and cultivate.
