For Sale : **€ 53,000**

Description
Quiet surroundings and an easy, level piece of land set the tone in Pissouri, a Limassol village where everyday life stays pleasantly close at hand.

Zoned for residential use, this sizeable field has a flat surface and a regular shape. It has direct road access along one side. It offers room for a home in a calm part of the community, where the land itself keeps things uncomplicated.

Shops, restaurants and cafés are within walking distance, so a morning coffee or the weekly shopping can be an unhurried stroll, while the village centre is only a short drive away. Good links to the motorway bring the city of Limassol within comfortable reach, and Paphos International Airport is about 20 km away.

The sale is an 18/48 share of the field. A welcoming village setting in which to picture a future home, with peace around you and daily comforts close by.
