Description
Three adjoining fields in Dora are offered together here as a single Cyprus field for sale, covering 43,480 m² of open land in the Limassol countryside. The ground is irregular in shape with a sloping surface, in a setting away from dense development. The land has no direct road access.

The village centre is a short drive away, as are the neighbouring villages of Mousere and Anogyra, and the Limassol – Paphos Motorway can be reached by car. The three parcels are sold together as one unit, making a sizeable and uncomplicated piece of the Cypriot countryside.
