Description
An agricultural field for sale in Kissousa, covering 13042 m² of open countryside a short drive from the village centre. The land sits on sloping ground with an irregular shape, in a landscape-led setting away from dense development, and it has direct road access.

The neighbouring villages of Malia and Pachna are a short drive away, and main roads, a petrol station and the Limassol–Paphos Motorway are all within a drive. Kissousa keeps its rural character while staying connected to the wider Limassol district.

This is a generous piece of Cypriot countryside on sloping ground, with direct road access.
