Description
In the countryside around Pissouri, this agricultural field of 7024 m² offers a sizeable piece of open land in the Limassol district. Its regular shape makes it straightforward to lay out for farming or planting, and the ground slopes across the plot. The village centre and petrol stations are a short drive away, as is the Limassol - Paphos Motorway, with the village of Platanisteia also close by. The field is landlocked and has no direct road access. A well-proportioned, sloping field of agricultural land in an open countryside setting near Pissouri village.
