For Sale : **€ 35,000**

Description
In the Koilani area of the Limassol district, three adjoining fields are sold together as one agricultural holding of 20,738 m². The ground slopes and the land has an irregular shape. Its agricultural zoning suits farming or planting.

The centre of Koilani is a short drive away, as is the neighbouring village of Lofou. The land has no direct road access. Together, the three fields form one sizeable block of agricultural ground.
