For Sale : **€ 35,000**

Description
Set in the countryside around Louvaras, this agricultural field covers 33,780 m². Most of the land lies in an agricultural zone suited to farming and planting, and part of it falls within a protection zone. A registered dirt road runs through the field and gives access to it. It also splits the land into two parts. A stream runs along one boundary.

The village centre is a short drive away, as are Apsiou and Kalo Chorio, and the Limassol–Paphos Motorway can be reached by car. The sale is a 61/101 share of the field. This is a sizeable piece of farmland in natural surroundings, with a dirt road through it and a stream at its edge.
