For Sale : **€ 35,000**

Description
Close to the centre of Agios Therapon, a village in the Limassol district, this residential field places village life within easy reach. The centre is only a short walk away, and the neighbouring villages of Agios Amvrosios and Vouni are a short drive from the land. Schools and a choice of restaurants and cafés can also be reached by a short drive.

With 2,342 m² in a residential zone, the land offers room for a home in a village setting, with space around it to plan as you wish. Picture morning coffee in a village square nearby, then a few minutes back to your own corner of Agios Therapon.

The land is irregular in shape and its surface is uneven. It is reached by an unregistered dirt track along one edge rather than by a registered road.

For anyone who values village surroundings and a centre close by, this is a genuine opportunity to shape a home of your own in Agios Therapon.
