Agricultural land in Pissouri: a hillside field of
39,131 m²...

For Sale : **€ 35,000**

Description
Agricultural land in Pissouri: a hillside field of 39,131 m² in an open countryside setting, a short drive from the village centre. The Limassol - Paphos Motorway is also a short drive away, and the villages of Alectora and Platanisteia are within easy reach.

The ground follows the slope of the hill, with an uneven surface and an irregular shape. The field has no direct road access. Its agricultural zoning suits farming or planting. This sale is for a one-third share of the field. It is a generous stretch of Pissouri hillside, set away from dense development.
