Description
A sizeable field in Palodeia offers a piece of the Cypriot countryside within the Limassol district. The neighbouring villages of Paramytha and Pano Polemidia are a short drive away. The land covers 57,526 m² in total. It has an irregular shape and a sloping surface, and it sits in an open setting away from dense urban development.

The field has no direct road access. The centre of the village is within easy reach. This sale is for a three-twenty-fifths share of the field. It is a broad stretch of open, sloping land in the Palodeia countryside.
