For Sale : **€ 35,000**

Description
Village life sets the tone in Kalo Chorio, where the primary school is within walking distance and the neighbouring villages of Zoopigi and Louvaras lie a short drive away. In an attractive spot with easy reach of the village centre, this residential land offers authentic village surroundings as an alternative to city or resort living.

The land is rectangular with a slight slope and has direct road access along one side. Its residential zoning allows for a home of up to two storeys, giving you the groundwork to shape a house around your own brief, with the everyday comforts of the village close at hand.

The sale is a 1/2 share of the plot. A distribution agreement is in place, assigning this share to a defined part of the land shown on the distribution drawing.

A setting where village living and a home of your own could come together in Kalo Chorio.
