For Sale : **€ 13,500**

Description
Set in an open countryside setting near Sia, this agricultural field covers 15051 m² of level ground suited to farming and planting. The villages of Mathiatis and Delikipos are a short drive away, and the wider area is within easy reach of the Nicosia–Limassol motorway. The field itself has no direct road access. Its even surface makes the ground straightforward to work, and its generous size leaves room for crops or orchards. This sale is for a half share of the field. It is a sizeable, level parcel of farmland in the Sia countryside.
