For Sale : **€ 14,000**

**Description**
A piece of the Cypriot countryside in the Lythrodontas community of Nicosia district, this field covers 4097 m² of open, sloping ground with an irregular outline. It sits in a rural setting away from dense development. The village centre and petrol stations are a short drive away.

The neighbouring villages of Vavatsinia and Kapedes are within a drive, and the Nicosia–Limassol motorway connects the area to both cities. The field has no direct road access of its own. It is a sizeable parcel of open, inclined land in the countryside of Lythrodontas.
