For Sale : **€ 30,000**

Description
A generous sloping field of 21,740 m² on the edge of Kalo Chorio, offering a sizeable stretch of agricultural land in an open countryside setting in the Limassol hills. The ground has an irregular shape and a gentle incline, suited to farming or planting in keeping with its agricultural zoning.

The village centre is a short drive away, as are the neighbouring villages of Agios Pavlos and Zoopigi, with a petrol station and main roads within a drive. The Limassol–Paphos and Nicosia–Limassol motorways serve the wider region. This is a versatile piece of land with room to work at scale.
