Description
A sizeable Cyprus field in Pachna, set in the open countryside of the Limassol hills, offering 19,733 m² of agricultural land for farming or planting. The ground is uneven and irregular in shape, and it sits within natural surroundings well away from dense development. Pachna village is a short drive away, as are neighbouring Agios Amvrosios and Agios Therapon, with a petrol station close by. The Limassol - Paphos Motorway is a drive away. This is a generous, versatile piece of agricultural land in the Pachna countryside.
