For Sale : **€ 30,000**

Description
Beautiful natural surroundings set the tone for this residential field in Pachna, a Limassol hill village with a strong local identity and a slower, close-knit pace of life. The village itself is right beside the land, with schools, cafés, restaurants and green spaces a short drive away.

The field covers a generous 1180 m² and is zoned for residential use, making it a place to picture a family home. Its sloping, irregular shape gives the land a natural, unforced character that follows the lie of the landscape rather than a neat suburban grid.

Daily life here means authentic Cypriot village life, with the neighbouring villages of Agios Amvrosios and Kissousa a short drive away. The Limassol–Paphos Motorway is within a drive for trips to the coast and the city. Further afield, Kolossi Castle is among the region's well-known heritage sites.

Above all, this is a chance to settle into village life on a generous plot of residential land, surrounded by a landscape that sets this corner of Limassol apart.
