Description
Three adjoining fields of agricultural land in Silikou, Limassol, are offered together as a single holding of 14,866 m². The ground is sloping and irregular in outline. It sits in open countryside a short drive from the village centre.

The fields have direct road access. The neighbouring villages of Kilani and Koilani are a short drive away, with petrol stations close by and the Limassol–Paphos Motorway within reach in the wider region. With its agricultural zoning, this is a versatile piece of land for farming or planting in the Silikou area. In all, it is a generous block of farmland that comes in one piece.
