Description
Set in the countryside outside the centre of Laneia, in the Limassol district, this agricultural field covers 11,102 m² of sloping, irregularly shaped ground. It fronts a public dirt road, so it has direct road access. The land is zoned for agriculture and suits farming or planting. The neighbouring villages of Limnatis, Monagri and Korfi are a short drive away, and the Limassol–Paphos Motorway is within a drive. It is a sizeable piece of farmland with its own road frontage.
