Description
Set in the open countryside of Pano Pyrgos, this large agricultural field covers 18,395 m², a short drive from the village centre, with the villages of Kato Pyrgos and Pigenia also close by. The ground slopes and the plot has an irregular shape. Along one boundary it borders a path that is being registered as a dirt road. The sale is for a 1/12 share of the field. It is a sizeable piece of sloping farmland in a countryside setting, away from dense development.
