For Sale : **€ 7,000**

Description
Set in open countryside a short drive from the village centre, this agricultural field in Pano Pyrgos covers 6689 m² of farmland in the Nicosia district. The parcel has a regular, well-proportioned shape, and the ground is uneven across its surface. The neighbouring villages of Kato Pyrgos and Pigenia are both a short drive away, as is a petrol station. The field has no direct road access. This sale is for a half share of the land. It is a regular, open parcel of agricultural land in a rural setting away from dense development.
