For Sale : **€ 40,000**

Description
Up in the hills of Paphos, Kelokedara offers authentic Cypriot village life just a short walk from the community centre. This residential field in Kelokedara sits on higher ground at the edge of the village, a setting where a slower pace and a close-knit community still shape everyday life.

The land has a smooth surface and an irregular, uncomplicated outline, with access along a public pathway. Its residential zoning points to a home of your own, with village life on your doorstep and the countryside all around.

The neighbouring villages of Trachypedoula and Agios Georgios are a short drive away, as are restaurants and cafés. Further afield lie the ancient Sanctuary of Aphrodite and the Limassol to Paphos motorway, which brings the coast and the city within easy reach. Paphos International Airport is about 15 km away.

This sale is for a half share of the field. It offers a footing in the hills, close to the heart of a traditional village, with room to picture a home in a landscape-led setting away from dense development.
