For Sale : **€ 7,000**

Description
Set in open countryside a short drive from the village centre, this agricultural field in Pano Pyrgos covers 12,041 m² of farmland in the Nicosia District. The ground is sloping and irregular in shape, and the land is reached by a dirt road. Kato Pyrgos and Pigenia are both a short drive away, with a petrol station close by. The agricultural zoning suits farming and planting, and the field could make a practical addition to an existing rural holding. This sale is for a two-sevenths share of the field. It is a sizeable stretch of sloping farmland in the Pano Pyrgos countryside.
