For Sale : **€ 6,000**

Description
Set in open countryside around the small community of Mosfili in the Nicosia District, this field offers a piece of Cypriot land away from dense development. It covers 7,693 m², with an irregular shape and a sloping surface that follows the lie of the land. The village centre is a short drive away, as are the neighbouring villages of Agios Theodoros Tillirias and Mansoura. A petrol station is within driving distance. The field has no direct road access of its own. This sale is for a half share of the land. It is a sizeable, open stretch of the Mosfili countryside.
