A field of agricultural land in Pano Pyrgos, in the Nicosia...

For Sale : **€ 6,000**

Description
A field of agricultural land in Pano Pyrgos, in the Nicosia district, sits in an open countryside setting a short drive from the village centre. The whole field measures 14,047 m², with an irregular shape and sloping ground, and its agricultural zoning makes it land for farming or planting.

The neighbouring villages of Kato Pyrgos and Pigenia are both a short drive away, and a petrol station is close by. This sale is for a two-sevenths share of the field. It is a versatile piece of farmland in the Pano Pyrgos countryside.
