Description
This field in Arsos covers 16,444 m² of sloping ground that faces southeast. It sits just beyond the nearest homes of the community, a short drive from the village centre. The land has direct road access along a dirt road and lies in an open countryside setting. The villages of Praitori and Filousa Kelokedaron are a short drive away. A main road is within reach, and the Limassol–Paphos Motorway serves the wider region. This is a generous, southeast-facing piece of the Cypriot countryside on the edge of Arsos village.
