Description
A field for sale in Pachna, set in open countryside a short drive from the village centre and from neighbouring Agios Amvrosios and Pano Kivides. The land covers 11192 m² of agricultural ground. Its regular shape and even surface make it straightforward to work and plant. It borders a pathway along one side. Main roads are a drive away, and the Limassol–Paphos Motorway is within reach for trips into town. Agricultural zoning keeps its use clear: farming and cultivation. This is a well-proportioned, level field of generous size in the Pachna countryside.
