Description
This field of 5695 m² sits in Vavatsinia, in an open countryside setting within Larnaca district. The land has an irregular shape and a sloping surface, and it has direct road access.

The village centre is a short drive away, as are the neighbouring villages of Lageia and Vavla. A petrol station and the main roads are within a drive, and the Nicosia–Limassol and Larnaca–Limassol motorways connect the area to the rest of the island. This is a generous piece of Vavatsinia countryside, reached directly from the road.
