Description
With its feet firmly in Tera, this field offers 1673 m² of agricultural land in an open countryside setting in the Paphos hills. The ground is smooth and even, and the irregular shape suits planting or simple cultivation. The field has no direct road access. The village centre is a short drive away, as are the neighbouring villages of Kritou Tera and Choli, with petrol stations close by and the main roads within a drive. It is an uncomplicated rural land purchase in Tera: a versatile piece of farmland with workable, level soil.
