Description
An agricultural field for sale in Kato Lefkara, set in open countryside in the Larnaca district. The land extends to 10034 m², a generous area with an irregular shape and a sloping surface.

The village centre is a short drive away, as is neighbouring Delikipos, and Pano Lefkara lies a little further on. The field is landlocked and has no direct road access. It is a sizeable piece of the Cypriot countryside, in a landscape-led setting away from dense urban development.
