Authentic Cypriot village life in the Paphos countryside set...

For Sale : **€ 36,000**

Description
Authentic Cypriot village life in the Paphos countryside sets the tone for this residential field in Pano Akourdaleia. It is a generous plot of 3,494 m² with a gently sloping surface and an irregular outline that follows the lie of the land. It sits within easy reach of the village centre. Residential zoning makes a home here the natural use, and direct road access keeps the land straightforward to reach.

Everyday needs are close by. Supermarkets, shops, cafés and restaurants are all a short drive away, as are the neighbouring villages of Kato Akourdaleia and Miliou. For time outdoors, the shores of Evretou Lake and a choice of parks and green spaces are also within a short drive. Main roads are a drive away, and the motorway connects you to the wider region.

This is an uncomplicated piece of land in a setting with a strong local identity. It offers a slower pace while keeping practical amenities near at hand.

This sale is for a half share of the land.

Village character, Evretou Lake close by and room to picture a home of your own give this land a quiet, lasting appeal.
