For Sale : **€ 5,500**

Description
An agricultural field in Steni, set in an open countryside setting within the Paphos district. The land covers 9532 m² of agricultural ground, suited to farming or planting. Its surface is uneven and its shape irregular, following the natural lie of the surrounding landscape. The field has no direct road access.

The village centre is a short drive away, as are the neighbouring villages of Skoulli and Agios Isidoros. Petrol stations are close by, and the main roads are a drive away. This sale is for a one-quarter share of the field. It is a versatile piece of agricultural land in natural surroundings.
