For Sale : **€ 4,000**

Description
An agricultural field in Neo Chorio, in the Paphos countryside of Cyprus, covering 12,710 m² of open land outside the village. The ground is even, which suits farming or planting, and the field has an irregular shape. It is reached by a dirt track.

The village centre is a short drive away, as are Androlikou and Latchi, with main roads and petrol stations within a drive. The area offers a landscape-led setting away from dense urban development. This sale is for a one-fifteenth share of the field. Level, open ground makes it a versatile piece of land for cultivation.
