Description
In the countryside of Neo Chorio, in Paphos District, this agricultural field covers 12,375 m² in an area known for its natural surroundings. The ground is irregular in shape with an uneven surface, and its agricultural zoning suits farming or planting. The field has no direct road access.

The land is part of the Neo Chorio area, with the village centre a short drive away and Androlikou, Latchi and Polis also close by. The sale is a 1/7 share of the field. It is a sizeable piece of agricultural ground set in open, natural countryside.
