Description
A field of 15,385 m² in the open countryside around Ora, a village in the Larnaca district. The land has a sloping surface and an irregular outline, and it is reached by a dirt track. The village centre and the neighbouring villages of Vavatsinia and Agioi Vavatsinias are a short drive away, and the Nicosia–Limassol motorway can be reached by car.

This field near Ora sits away from dense urban development, surrounded by the rural landscape of the area. It is a generous piece of the Cypriot countryside, with plenty of ground in a single plot.
