Description
Set in the countryside of Dora village in the Limassol district, this field offers 13,060 m² of open land with a smooth, gently even surface. The plot has an irregular shape, faces east and has direct road access. The village centre is a short drive away, as are the neighbouring villages of Mousere and Anogyra, while the Limassol–Paphos Motorway and the main road network are a drive away. Dora's open countryside surrounds the land on its quiet edge of the village. This is a generous, uncomplicated piece of land with an easy, level surface and a convenient roadside position.
