Description
A field of 9,031 m² in the open countryside of Avdimou, a short drive from the village centre. The land is irregular in shape with a sloping surface, and it has direct road access. Prastio Avdimou and Agios Thomas are both a short drive away. The Limassol–Paphos Motorway is also within a short drive, with petrol stations and motorway junctions a little further on. This is a sizeable, uncomplicated piece of the Cypriot countryside within Avdimou's rural surroundings.
