For Sale : **€ 8,000**

Description
Two adjoining agricultural fields in Kato Drys are offered together as a single holding of 8,362 m², set in an open countryside setting between the villages of Vavla and Kato Lefkara. The land is sloping and irregular in shape, and it is reached by road.

Its agricultural zoning suits farming or planting. It could also be a practical addition to an existing rural holding. The village centre and petrol stations are a short drive away, and the Nicosia–Limassol motorway is within easy reach. This is a sizeable, versatile piece of farmland in the Kato Drys countryside.
