Description
Set in open countryside within the Alektora community, this field covers 18061 m² of even ground. Its outline is irregular, but the level surface makes the whole area easy to walk. The land sits in a rural landscape away from dense development. The Limassol–Paphos Motorway is a short drive away, as are Alektora village and Pissouri, with petrol stations and main roads close at hand. This is a generous, level piece of the Cypriot countryside in the Limassol district.
