Description
Set among the villages of the Limassol countryside, this residential field in Souni-Zanakia offers a landscape-led setting with village life close at hand. Pano Kivides and Kato Kivides are a short drive away, as are schools, cafés, restaurants, a petrol station and the village centre, so everyday needs are always within easy reach.

The land has a regular shape and a smooth, even surface, facing southeast and west. It has direct road access, and its residential zoning points naturally towards a family home shaped around the outdoors and the open surroundings.

For weekends, the nature spot of Arkolia is a drive away. The Limassol–Paphos Motorway, main roads and bus stations link you to Limassol, Paphos and the wider district without fuss.

This sale is for a one-sixth share of the field.

Authentic Cypriot village life, good connections and well-proportioned land for a home of your own: a setting in Souni-Zanakia with a strong local identity and plenty to recommend it.
