Description
Set in open countryside outside the village of Arsos, this field covers 13,091 m² of sloping ground with an irregular shape. It has direct road access, and the village centre is only a short drive away. The neighbouring villages of Omodos and Agios Nikolaos are also a short drive away. A main road and a petrol station can be reached by car, and the Limassol–Paphos Motorway lies in the wider region. This is a sizeable piece of the Cypriot countryside in the Arsos area, with a straightforward approach by road.
